## EXPLANATION OF TENDER DOCUMENTATION NO. 6

Dear Sir or Madam,

on behalf of the contracting authority, Charles University, ID No.: 002 16 208, with registered seat at Ovocný trh 560/5, 116 36 Praha 1, in connection with the negotiated procedure with prior publication of above-the-threshold public contract called "RUK - SBZ - Nové varhany pro Velkou aulu Karolina (RUK SBZ – New Organ for the Great Hall of Carolinum)", ev. No. VVZ Z2019-019439, we provide an explanation of the tender documentation based on an initiative of the contracting authority.

Following reports from suppliers about technical difficulties with submitting their bid at E-ZAK, specifically with signing their bid with a qualified electronic signature, the contracting authority confirms possible difficulties in this regard caused by technical incompatibility of the qualified signature with E-ZAK.

Since the contracting authority pre-registered all the participating suppliers, submission of the bid without the qualified signature should be technically permissible by E-ZAK.

The contracting authority points out that the bid (or its parts) may not be signed by an electronic signature (just as it was in the previous phase – submission of the request to participate), this is stated also in the tender documentation.

**As the contracting authority has not changed the tender specifications together with the explanation of the tender documentation, the contracting authority does not extend the time limit for submitting the preliminary bids.**

In Prague on 9<sup>th</sup> October 2019
