The image contains two distinct parts. The upper part is a photograph of a modern building facade, showing a grid of windows and a balcony with a glass railing. The lower part is a technical drawing of a compass rose, indicating the orientation of the building. The compass rose shows the cardinal directions (N, S, E, W) and the intercardinal directions (NE, SE, SW, NW). The drawing is a simple line drawing with a circle and lines extending from the center to the points of the compass.
