SPECIFICATIONS

### Technical Index and Specification:

1>. Submersible Water Level Sensor, 304 & 316 stainless steel and hermetically sealed housing make it suitable for most industrial liquids and oils.  
2>. The welded housing is tested in-house via a helium leak tester to ensure proper protection. Ventilation cable automatically compensates for changes in atmospheric pressure above the tank. The conductors of the cable are also isolated from the outside environment to keep the level sensor operational for long-term use.

# Security and stability upgrade

**ES-Y30B**

# Drop-type level transmitter

Sank into probe the bottom of the liquid  
Core 316 diaphragm, shell 304, rubber wire

## Different output

## Product details

**Stable performance**

**Strong anti-interference ability.  
Laser resistance temperature compensation, zero point,  
range can be adjusted on site;  
Wide range of corrosion resistance, suitable for a variety  
of media, overload and anti-interference ability.**

# Imported diffused silicon

316L high sensitivity diaphragm

High quality electronic chip

Diffusing silicon core

0.5 high precision measurement

## Humanized design

**Detachable structure Waterproof, anti-clogging and anti-penetration.**

## Inlet filter hole

Filtration of large particles and magazines in sewage Protects the sensor diaphragm and prevents measurement clogging.

## Product parameters

Measuring Medium	water, oil(non-corrosive liquid)
Output Signal	4-20mA,0-5V,0-10V,RS485
Medium Temperature	-40~60℃
Ambient Temperature	-40~85℃
Power Supply	DC24V(default)
Response Time	5ms(Rise to 90%FS)
Stable Performance	±0.2%FS/Year
Overload Capacity	200%
Protection Class	IP68
Product Material	Diaphragm 316L SST,Housing 304 SST,Cable Polyurethane
Product Accuracy	0.2%,0.5%
Triple Protection	Reverse polarity/over voltage/over current protection
Use Method	The probe is put into the liquid to be measured
Load Resistance	current type≤(U-9V)/0.02Ω
Impact	100g(11ms)
Zero temperature drift	±2%FS
Insulation	100mΩ/250VDC
Media Compatible	Various media compatible with 304/316L

Product wiring diagram

### Current Output (2 wires)

### Voltage output (3 wires)

### RS485 output (4 wires)

## Installation

Cable Hanger Installation

Locking core material: Engineering plastic  
Hanger material: 304 stainless steel  
Weight: 110g

Cable Hanger Size

Flange Fixed Installation

Flange Fixed Size

## Wide Applications

Submersible level transmitters are widely used in Oil, water conservancy, chemical industry, metallurgy, electric power, environmental protection and other units, Accomplish the measurement of liquid level and various corrosive fluids.

### About Payment

**We accept: VISA, Mastercard, Escrow**

When using Escrow, Your money is deposited securely in your account. Money will be released to us only after you confirm the delivery. Payment must be made within 3 days of order. If you can't checkout immediately after auction close, Please wait for a few minutes and retry.

**Confirm Address With Full Name**

All products will be tested strictly before shipping. We shipping to Aliexpress's address ONLY. Please make sure your address in Aliexpress is matched with your shipping address before you pay. Russian buyer. Thank you!

### About Shipping

**EMS, DHL, UPS, FedEx, TNT, China Post, E-packet**

We ship worldwide by EMS, DHL, FedEx, TNT, Epacket, China Post, HK Post and so on. We are unable to control the delivery time because it is processed by Third-Party service, But if the parcel has not arrive within expected time, Please contact us, We will help you to tracking it and give you a good reply. 17 Tracking URL: <http://www.17track.net/>

**E-packet**

### Feedback

**If you are satisfied with our product and service please leave us positive feedback & all 5 stars**

**If you are unhappy with our service or any other problem, Please contact us before leaving feedback and we will resolve the issue immediately, Thank you very much!**

Please rate this transaction

★★★★★ Excellent

Recommended seller: Excellent product fast shipping.  
Thank you very much.
